SELECTION INSTRUCTIONS:

Hunters may only apply once, either as an applicant or as a guest (the same individual cannot apply either as a guest or primary applicant on two different applications). Women may apply for a FAMILY and WOMEN'S HUNT. Use 2 separate Applications. Refer to the reverse side of this application to select your hunt, beginning with your first choice, by entering the corresponding hunt number in box "A" as your first choice. An application may include up to 10 hunt choices; however, you and your guest(s) will only be selected for one hunt (by random draw) unless hunts do not fill.
